

RGPV (DIPLOMA WING) BHOPAL		OBE CURRICULUM FOR THE COURSE		FORMAT-3	Sheet No. 1/1
Branch	Mechanical Engineering			Semester	VI
Course Code		Course Name	Industrial training		
Course Outcome 1	Expose him/herself to specific engineering practices in the respective field and type of industry selected.			Teaching Hrs	Marks
Learning Outcome 1	Expose him/herself to a real industrial working environment.				10
Contents	Case of a specified industry				
Method of Assessment	Viva-voice- Internal				
Learning Outcome 2	Connect theoretical learning with practical work in industrial environment.				10
Contents	Case of a specified industry				
Method of Assessment	Viva-voice- Internal				
Learning Outcome 3	Adopt safety regulation in a specific industry.				10
Contents	Safety regulation of a specified industry				
Method of Assessment	Viva-voice- Internal				
Learning Outcome 4	Instill capabilities of teamwork and good relationships with others in industrial frame work.				10
Contents	Team work and team building				
Method of Assessment	Viva-voice- Internal				
Learning Outcome 5	Uplift honest, trustworthy, dedicated and responsible attitude for assigned task.				10
Contents	Honesty, trustworthiness, dedication, responsibility				
Method of Assessment	Viva-voice- Internal				

Course Outcome 2	Present an industrial training report.	Teaching Hrs	Marks
Learning Outcome 1	show evidence of training period		05
Contents	Certificate of training, attendance record, recommendation of training supervisor		
Method of Assessment	Examiner's observation - Internal		
Learning Outcome 2	Record all activities during training.		05
Contents	Activities of industrial training		
Method of Assessment	Examiner's observation - Internal		
Learning Outcome 3	Write conclusion regarding theoretical and practical knowledge gained during the training.		10
Contents	Industrial training components		
Method of Assessment	Examiner's observation - Internal		
Learning Outcome 4	Organize an industrial training report in a standard format.		10
Contents	Industrial training report writing guidelines		
Method of Assessment	Examiner's observation - Internal		
Learning Outcome 5	Present a industrial training report using soft skills.		20
Contents	Presentation techniques		
Method of Assessment	Examiner's observation - Internal
